GENERAL PLAN NOTES

- A. Dimensions on plans are to face of studs, face of masonry, and column centers unless noted otherwise, and except at doors, fixtures and partitions associated with handicap accessibility.
- B. Refer to sheets G0-2 through G0-5 for typical dimensional requirements for handicap accessibility.
- C. Refer to sheet A0-4 for partition types and partition type tags.
- D. All interior stud wall partitions to be P3 unless noted otherwise.
- E. Refer to sheet A0-4 for extent of non-rated partitions including to check and receiving continuous access curb insulation.
- F. Refer to sheet A0-4 for extent of rated partition types.
- G. Refer to wall sections and plan details for exterior wall types.
- H. All interior gypsum board partitions and gypsum board ceilings require control joint at intersection with exterior walls.
- J. Refer to sheet A0-1 for typical gypsum board partition control joint details and masonry expansion/control joint details.
- K. Refer to A6 and A7 sheets for gypsum board control joint locations.
